Attendance Information

ATTENDANCE AND ABSENTEEISM – Students are required by Illinois State Law to be regular in attendance. Regular pupil attendance in school is essential to each student's continuous intellectual growth. School officials will make contact with any parent whose student develops a pattern of absences. **If the absences persist, the matter will be turned over to legal authorities.**

TRUANCY ORDINANCE – At the beginning of the school year 2004-2005, a new ordinance was approved by the City of Pekin with regards to absenteeism and truancy. District 108 complies with that ordinance and will follow these guidelines.

1. If a student misses three (3) consecutive school days, a doctor's note is required;
2. If a student accumulates 10% or above rate of absenteeism, a doctor's note is required every time the student is out;
3. If a student has no doctor's note after that, a truancy ticket will be issued;
4. If a student is absent without a valid excuse, a truancy ticket may be issued and a court appearance required. The Judge may rule that parents are responsible to ensure that the child attend school;
5. If a student accumulates more than 8 unexcused tardies, a truancy ticket will be issued. A ticket is issued for each unexcused tardy after that.

Fines range from \$75.00 to \$750.00. Failure to comply with the judge's orders could result in fine for contempt of court with possible jail sentence of up to 6 months. The court may rule that the child be forced to participate in the Juvenile Reporting Center Program.

Only the following reasons are acceptable for pupil absence: pupil illness, death in the family, quarantine, religious holidays, medical appointments, court appearances, or other reasons with prearranged approval by the building principal.

Please call the school to provide an explanation of why your child is absent. We have an answering machine that is available 24 hours a day 7 days a week. It is important that we keep in good communication. School personnel will contact parents if a call is not received.

TARDY TO SCHOOL – Students who arrive late to school are considered tardy. Any student reporting after 8:00 a.m. must report directly to the office. **The only acceptable excuses for tardiness are medical / dental appointments or an emergency situation.** Students arriving late on a bus are not considered tardy. The responsibility for being on time rests with each student.

EARLY DISMISSAL PROCEDURES - If your child needs to be dismissed from school early for an appointment, please send a note to school with them on the day of the appointment. The student should give the note to the office when they arrive to school.

LEAVING FOR LUNCH – Students must eat at school unless they make arrangements at the office to go home for lunch. Final permission to leave school during lunch rests with the school administrators. To eat lunch at home:

- A written request signed by the parent or guardian of the student leaving must be submitted to the office the day the student is leaving school grounds.
- Students must be picked up by their parent / guardian at the office if the student is not walking to their own house.
- Students who leave school for lunch must return to school on time for class.

Emergency Information

EMERGENCY NUMBERS - It is important that the school have an emergency telephone number for each student. Parent / guardian work telephone numbers must be provided to the school office. In addition, the school should be given the number of someone who can be called if the parents cannot be reached. Parents are urged to notify the emergency contact person that the number has been given to the school as an emergency number. Parents must notify the school office of any change in emergency numbers.

ONE CALL NOW – In an effort to enhance the ongoing communication between home and school, we have implemented an automated parent notification service called **One Call Now**. This service will allow your child’s school to send a personalized message to all parents easily, effectively and within minutes. One type of call a parent would receive would be **routine notification calls** that may include upcoming events, delays in school transportation, etc. The other type of call a parent would receive would be **emergency notification calls** that may include situational updates and school closings.

CHANGE OF NAME, ADDRESS OR PHONE – Should an address or telephone number of a student change during the school year, it is the responsibility of the parent / guardian to contact the office to make the necessary corrections.

EMERGENCY DRILLS – Broadmoor Junior High School will conduct fire, tornado, intruder, and bus drills periodically throughout the school year to prepare staff and students for emergencies.

During emergency situations we will do everything possible to assure the safety of the students. We ask that you assist us with an alternative telephone number to call in an emergency situation. Please refer to the Pekin Public Schools Parent Calendar for information regarding radio and television stations that will broadcast information concerning weather and other emergencies.

TEXTBOOKS - A basic set of textbooks and materials will be made available for each student at the beginning of the year. The materials fee is established by the Board of Education and shall be collected during registration prior to the opening of school. Academic Information

TO ACHIEVE ACADEMIC SUCCESS A STUDENT MUST:

- Approach his / her studies with a seriousness of purpose and a realization that learning is work;
- Develop good study habits and make a sincere effort to do their best in each of their classes;
- Be well prepared for each class every day, both physically and mentally;
- Make the most of all educational opportunities provided by the school.

TO HELP YOUR CHILD ACHIEVE ACADEMIC SUCCESS, PARENTS MUST:

- Insist that their child is prompt and regular in attendance;
- Take an active interest in their child's achievement, progress in school, and report card;
- Supervise their child in completing homework assignments.

2 WEEK GRADE REPORTS – Every Broadmoor Junior High student will receive a progress report in each of their core subjects every two weeks. If parents / guardians do not receive this report, please contact your student's homeroom teacher. Staff members at Broadmoor Junior High believe there should be no surprises when it comes to a student's grade on a report card at the end of a grading period. The dates these grade reports will be coming home can be found on a calendar at the end of the handbook. Parents are always welcome to request grade updates at any time.

REPORT CARDS – Report cards are to inform the student and his / her parents of both academic and social growth. Our school year is divided into four grading quarters and report cards are issued at the end of each one. Parents are asked to sign the back of the report card envelope and students are required to bring them back within two days after issuance. A fee of \$1.00 is charged for lost or damaged envelopes. Concerns about student progress should be discussed with the student's teachers, the Counselor, or the Principal. Report card dates can be found at the end of this handbook and on the District Calendar.

HONOR ROLL – Students will be named to the honor roll based upon their grade point average (G.P.A.) computed on a 4-point scale from grades received in language arts, social studies, science, mathematics, physical education, music, art and industrial technology classes. **Students who earn a G.P.A. of 3.75 to 4.00 will be awarded High Honors. Students who earn a G.P.A. of 3.50 to 3.74 will be awarded Honors.**

HOMEWORK – Homework does not necessarily have to be done at home. Homework is understood to pertain to all work done outside of class. Each student will be scheduled a study hall period, which if used properly, could be the place much of the homework may be completed. Homework may be assigned for the following purposes; (1) completion of daily class work that could not be finished in class, (2) enrichment beyond the classroom, and (3) to improve individual weaknesses.

MAKE-UP WORK – Parents / Guardians may request make-up work for their student by calling the school office at 477-4731. In some cases, requested work may be picked up on the same day, however in some cases it may be necessary to pick up the work the following day. All make-up work can be picked up in the school office. Students are responsible for completing all requested work and returning all materials back to their teacher when completed.

PROMOTION AND RETENTION – The final decision on whether a student is promoted or retained rests with the school principal. **A student who fails two or more academic subjects will be retained.** Retention will not be considered as a punishment. The decision to promote or retain will be based on student success on the District 108 SAI Assessments, District 108 Curriculum, attendance, and State ISAT test performance. **All 8th grade students must successfully pass a comprehensive exam of the United States and Illinois State Constitutions.**

8TH GRADE RECOGNITION NIGHT – The date of our eighth grade Recognition Night can be found in the district calendar. This date may change due to emergency days. We expect appropriate behavior from our students and guests during the ceremony. Appropriate dress for graduation is clean and neat clothing and footwear. Formals and Limos are not appropriate. Please remember that we have limited seating and because of that tickets will be required for admission. Each family will receive four tickets in your invitation. We hope you understand the limitations of our gymnasium's seating capacity and will comply with our policy. Every person attending this ceremony, including infants and small children, must present a ticket in order to be admitted into the ceremony. **No exceptions will be made.**

Limiting the number of guests is a component to a plan, which includes our discussions with the students about their obligation to bring honor and dignity to our Recognition Night ceremony. We feel it is our opportunity, as a learning community, to emphasize the importance of hard work and effort, and to send the message that school is important to everyone's success. Attending and participating in this ceremony is a privilege. Students who are unable to follow the school's expectations will forfeit their privilege to participate. We strongly urge all parents / guardians to speak with their student and help reinforce our expectations.
