Classroom Items (2-4)	Starke Primary “Flea Market” Please select 2—4 (No More) useable, nearly new items to bring to place in our Starke Primary Flea Market. Located on tables in Megan Lystila’s area. These should be items from your room that you no longer need, but someone will surely want them. During breaks and at special times, you’ll have an opportunity to shop our “Flea Market” for those special “touches” to add to your classroom. No costs involved.
