IL American Water Co. Theater Performance	Alice in Waterland will be the theme for this year's production. The date will be chosen for sometime in March.
Supervision plan	Our playground supervisors were commended for their skills in working with children. Because our supervisors are so on task, we have minimal behavior problems on the playground. A very organized supervision plan helps to greatly reduce problems.

Fund Raiser Items	Mike reviewed the current wish list for PTA funds and will move forward with the requests. A committee will research dry erase boards and present their findings at a later date.
PTA Executive Board Meeting	There will be a PTA Executive Board Meeting to plan the end of year activities.
Misc.	SILT reviewed the Superintendent's email regarding the proposed budget cuts. It was reiterated that staff is encouraged to communicate any ideas regarding the budget cuts.
