

SILT Meeting Minutes: March 18, 2003

TOPIC	RESULT
Budget	A committee will be formed to consider budget and personnel issues for next year.
Supplies	It was determined that each classroom will continue next year to receive \$200 for supplies.
Special Education	Upon considering the limited human resources and difficulties of scheduling, the special education program will not be contained within one classroom per grade level. Special needs students will be placed in either grade level classroom, according to personal need.
Conservation of Supplies	A committee was formed to create a list of ideas on classroom/building conservation measures. When the list is completed, it will be shared with all teachers for their consideration.
Fall Retreat	A team of teachers will help plan the fall retreat 2003.
Misc: Scheduled computer replacement	Sunset is scheduled to have each classroom bank of 5 student computers replaced with new units this summer. Due to budget cut-backs, each class will receive 4 new units instead of 5. It was determined that we will purchase the 5 th student station for grades 2/3 this year with fundraiser monies. Grades K/1 would receive the 5 th student station the following year.
