Subject: [SUPT.MSG] Legislator's Contact Information

As mentioned in the 11-12-04 listserv email, House Bill 750 is Illinois' opportunity to positively change the structural problems with school funding. With this, I encouraged everyone on this listserv to learn more and consider writing or calling our legislators in support of HB750.

If you are new to the listserv and would like to see past messages, please visit <http://www.donwhite.cc/pekin/suptmsg.htm>. The link for reading previous messages is at the bottom of this web page.

Given the content of the 11-12-04 message, I thought I would provide the contact information below to make it easier to contact our legislators.

You can choose to dream or you can dream and do something about it. I prefer the latter.
