March 18, 2020

Dear Parents,

Pekin District #108 believes in the importance of education and this packet of instructional material for your child supports that belief. The enclosed lessons are aligned with the state standards in order for your student to continue the learning process.

Attached is a 5 day packet which includes all subject areas for your student. Teachers will check in and send a Remind text each weekday morning that work is assigned. This text will provide guidance in regard to the day's assignments. Teachers will be available from 8:00 a.m. – 1:00 p.m. Monday through Friday via the Remind text communication system to offer guidance and to answer any questions your student may have.

Day #1 will be Monday, March 23. On this day your student(s) should work on the assignments provided in the packet under the Day #1 heading, to the best of their ability. Completed packets are to be returned to teachers on the first day classes resume.

In these unprecedented times, the top priority of District #108 is the safety and well-being of our students, families, and staff. Thank you for your support and assistance in our efforts to provide educational opportunities for your children.

SPECIAL EDUCATION PARENTS

If your child needs accommodations or modifications to complete this packet, parents may read assignments aloud to their child, or allow him or her to dictate answers on written work.
