### **Community Use of School Facilities**

School facilities are available to the community for education, civic, cultural, and other non-commercial uses consistent with the public interest when such use does not interfere with the school program or school-sponsored activities. The use of school facilities for school purposes has precedence over all other uses. Persons on school premises must abide by the District's conduct rules at all times.

The Board of Education shall annually establish fees for the use of district facilities.

The Superintendent shall develop procedures to manage community use of school facilities. Use of school facilities requires the Superintendent's approval and is subject to the procedures.
