Student Teachers/Student Interns

The Superintendent is authorized to accept students from university-approved teacher-training programs to do student teaching in the District. Prior to beginning any field experience in the District, the Superintendent or designee will receive the following information on each individual being assigned to do student teaching or student intern work in the District. The following information will be gathered by the university:

- 1) a fingerprint based criminal history record
- 2) a record check from the Sex Offender database
- 3) a record check from the database dealing with child murder or violent offenders

Assignment

The Superintendent or designee shall be responsible for coordinating placements of all student teachers within the District. Student teachers should be assigned to supervising teachers whose qualifications are acceptable to the District and the students' respective colleges or universities. A teacher may be eligible for Continuing Professional Development Units (CPDS) for supervising a student teacher or teacher education candidate in clinical supervision.
