

Reading Recovery Teacher Leader

QUALIFICATIONS:

Certification:

- NCLB (No Child Left Behind) Highly Qualified Criteria
- Illinois Standard Elementary K-9 Teaching Certificate
- Master's Degree
- Reading Specialist Qualifications
- Reading Recovery Teacher Leader Certification or willing to train

REPORTS TO:

Direct Supervisor: Superintendent or Designee

VISION:

The Reading Recovery Teacher Leader creates a positive learning environment to facilitate the intellectual, personal and social development of all students. In order to respond to the individual needs and abilities of students, the Teacher Leader works collaboratively with all educators. The teacher uses data to determine learning priorities, monitor progress, and assess instruction and student achievement. The teacher addresses the needs of students not achieving. As a result, the school makes continuous improvement toward achievement of state and district expectations.

RESPONSIBILITIES:

1. Train new Reading Recovery teachers as approved
2. Conduct Reading Recovery professional development
3. Support Reading Recovery implementation with all affiliated districts
4. Consult with principals in their supervision of Reading Recovery instruction
5. Consult with classroom teachers on issues related to reading instruction

6. Establish and maintain longitudinal information on Reading Recovery students
7. Inventory, maintain and disseminate Reading Recovery materials
8. Maintain registered Reading Recovery Teacher Leader status as described in the *Standards and Guidelines of the Reading Recovery Council of North America*. This includes: conducting Reading Recovery professional development and teacher training, teaching two Reading Recovery students daily, and participating in required Teacher Leader professional development activities.
