

PULL TOGETHER AND SAVE YOUR TABS

Our community service fundraiser, “Laps for Life,” for St. Jude Children’s Research Hospital will begin soon (more information will be given in April). In conjunction with “Laps for Life,” Scott Altman Primary School students and families are encouraged to **collect and bring in pop-tabs** to be donated to St. Jude Children’s Research Hospital. St. Jude then donates the tabs to Ronald McDonald House Charities—a housing facility for families when their child is receiving treatment from St. Jude. A collection jar will be located inside each classroom where students can donate the tabs. Our collection will continue through the end of the school year.

Let’s pull together, save our tabs, and help a child!
