Assuming that we don’t use any “emergency” days, Broadmoor Junior High School will be recognizing the accomplishments of our 8th grade students on Wednesday, May 23, 2018 at 6:00 p.m. at our 42nd Recognition Night Ceremony. The ceremony will be held in the Pekin Community High School main gymnasium.

We feel it is our opportunity as a learning community to emphasize the importance of hard work and effort, and to send the message that school is important to everyone’s success. We are very proud of our students and think that together we can make this a memorable night for parents, relatives, and students of BJHS.

In an attempt to create a solemn and respectful ceremony we are asking for your cooperation in the following areas:

No tickets will be distributed this year. Pekin Community High School has ample seating to accommodate each family.

Be respectful of each other during the ceremony. Disruptive and inappropriate comments, gestures, and whistles are not welcome and these individuals will be asked to leave the ceremony if necessary.

It is not necessary for students to dress formally for the evening. Suits, tuxedos, and formal evening gowns should not be worn. District dress codes are expected to be followed. We ask that the girls not wear clothing that is too short, tight fitting, or of such a nature as to be suggestive or revealing. For safety reasons, girls should refrain from wearing shoes with extremely high heels. Girls can wear nice skirts or pants and boys can wear nice casual clothes such as khaki or dress pants with a nice shirt and tie if desired.

Banners, balloons, flowers, and / or signs will not be allowed in the gymnasium. Please keep in mind that our students are in junior high school and not graduating from high school or college.

During our conversations with all of our 8th graders, we have stressed that attending and participating in this ceremony is a privilege. We have clearly explained our expectations for student behavior during the remaining weeks of school. Students who are unable to follow our expectations will forfeit their privilege to participate. We strongly urge all parents / guardians to speak with their student and help reinforce our expectations.

Thank you for your help in making this a positive event for the 2018 eighth grade class.

Sincerely,

2018 Broadmoor Recognition Night Committee
