

I-CARE POSTERS

We would like to decorate our halls, cafeteria, and gym with student artwork!

If your child is interested, we will be providing poster paper on November 6 for students to make posters, highlighting the I-CARE Rules. Students may complete the posters at home and return them to school any time during the month of November.

This project is optional, but we hope to have lots of beautiful reminders of our I-CARE Rules posted throughout the building. The poster does not need to look like the example below. Use your imagination and creativity! 😊

Please contact Miss Lard if you have any questions at melissa.lard@pekin108.org

THE GOLDEN RULE: Treat others the way you want to be treated - like GOLD!
