PPO

Provider Directory

This provider listing can help you find an independently contracted physician or hospital that participates in the Blue Cross and Blue Shield of Illinois PPO network. Because we are continually working to improve the PPO network, affiliations with hospitals and physicians can change over time. You are urged to check with your physician before undergoing treatment to confirm their PPO status, their participation in the PPO network for that specific practice location, and hospital affiliation. You can also call the Customer Service at the toll-free telephone number listed on your member ID card.

If you have questions regarding your specific benefit plan, please contact your Human Resource Department.

To view network selection criteria for doctors and hospitals, visit
<http://bcbsil.com/go/providerfinder>.

This provider directory is a list of doctors, hospitals and other providers in our network. It is current as of the date it was published. An online version, called Provider Finder®, is also on our website at bcbsil.com. It is updated more frequently than the printed directory. If you have questions on the directory, please give us a call. Members, please call number of the back of your cards. If you are not a member, please call Customer Service at 1-866-514-8044.

Providers may not tell us right away about changes to their information. To provide updates, such as if they are seeing new patients or part of a certain network, please send an email to Provider_Directory_Changes_IL@bcbsil.com or call 1-877-269-1244.
