## Art Room News

*Happy New Year from the Art Room!*

I am excited to start the last half of our school year with some challenging and engaging projects with our students.

**4<sup>th</sup> Grade** is finishing up a clay unit where they have already created some awesome ceramic tiles and are now finishing up with a “pinch pot” technique vessel. These will be glazed with food safe glazes so they can enjoy their art with their favorite drink!

**5<sup>th</sup> grade** is starting a challenging 1pt perspective unit. They are learning how to draw a cityscape and interior of a building. It is challenging at first but once they get it they truly will have the power to create a world of their own.

**6<sup>th</sup> grade** is in the middle of an Optical Illusion unit. They are learning all about how to use lines, values, and colors to create some mind bending and eye tricking illusions.

**Remember I am here to help! If you ever have questions or concerns don't hesitate to contact me so we can ensure that your student is having the most successful, enjoyable, and safe art/school experience possible!**

**Destination Imagination** is also in FULL SWING. Our students are working together hard to solve their challenges and preparing to present all their teams' work at the regional tournament. More to come soon!

### OUTDOOR RECESS

Washington Warriors try to go outside for recess as often as we possibly can. In some cases, our blacktop condition or the temperature keep us from doing so. Many times, the blacktop and temperature are not completely known until mid day. **Please send students to school with hats, coats, and gloves each day.** Students are asked to wear their jackets the entire time they are out to prevent lost items. If you believe you have lost an item, our lost and found is located in the cafeteria!
