PRINCIPALS CORNER

Hello Starke Parents and Guardians –

On behalf of Starke Staff, I would just like to say that we have been working hard and are very excited that students will be returning to 5-day in-person learning starting March 8.

For those families who drop-off their students in the mornings, we have made just one small adjustment-we will be taking temperatures inside the building with temperature scanning kiosks. We are doing this in an attempt to speed up the drop-off process, and not have traffic back up on the street.

We are asking for your help with this by taking the following steps:

- Please pull forward on the circle drive as far as possible.
- Please make sure your child's face mask is on, and they have their book bags ready to go.
- Please have your child ready to exit your vehicle as soon as one of our staff members gives you the signal.

Sincerely-

Matt Green

P.E. NEWS

Parents: Please make your child has tennis shoes on Wednesdays and Thursdays. These are their Physical Education days. If it is a day where there is bad weather, please put them in their book bag. As the weather gets nicer, we will be going outside.

Thank you,

Mr. Onken
