

Wilson Intermediate School

February Newsletter - 2020

WELCOME TO WILSON INTERMEDIATE SCHOOL

It has been a great start to 2020. We loved seeing everyone after a long winter break. We had our spelling bee in January - congratulations to Addy Imhof and Carson Eldredge! They will represent Wilson at our District Spelling Bee. We also had a total blast at our school carnival to celebrate good behavior. Thank you to all volunteers and donations to make that possible.

As always, feel free to contact us at **477-4722** or email (josh.norman@pekin108.org or annie.smith@pekin108.org)

Sincerely, Josh Norman, Principal & Annie Smith, Assistant Principal

MISS MILLER'S MUSIC MESSAGE

Hello from the music room! February will be all about instruments for our Wilson students. 4th-grade students are continuing their recorder learning and will be working towards earning their recorder karate belts. 5th-grade students are learning about all of the instruments in the 4 instrument families. 6th-grade students are continuing their ukulele learning and beginning play some well-known hits. The country of the month will be shifting from Ghana to France as February approaches. I hope you all have a warm and safe month!

- Miss Miller

MR. CLARK'S CONNECTION

We are deep into our basketball unit for all grade levels. Everyone will be doing different games and activities while focusing on the basics of the game--dribbling, passing, shooting, rebounding, and playing defense. This is always a fun unit! As we approach the middle of the month we will be doing stations, which will allow us to try and use some of our different equipment. Kids will be doing planks for their daily warm-up. Ask them how long they can hold a plank.

**Reminder--It is part of their incentive in P.E. for kids to always wear their gym shoes to P.E. This time of year I see some students wearing boots, for example. Please be sure they have a pair of gym shoes they can change into on their P.E. days. Thank you!!

-Mr. Clark

'ART'FACTS

Hello everyone. The Kiln has been working overtime for the last few weeks. I have just fired 400 projects. The 6th graders should wear play clothes for this first week of February as we will be using acrylic paints on our clay. Then, we will get back to some nice, clean drawing.

The 4th graders will be weaving for most of this month. This also means "no mess!" I will provide many varieties of yarn, but if you have a specialty yarn or something of sentimental value, students may integrate their own, personal flair.

The 5th graders are working with paper mache so we are in need of news paper. If any of you would like to see some "real" recycling in action, please bring in your news paper. You can bring it to art class on any day or place it in the drop box by the stairs. Thank you in advance.

Thanks,

David Laux

SCORE COUNCIL

4th grade dance on Friday, Feb. 21, 2:45-3:30.
Permission slips will go home in February and
will be due back Wednesday the 19th.

WILSON INTERMEDIATE COUNSELING DEPARTMENT

School Counselor: Tiffany Johnson

February 4, 2020: The Children's Advocacy Center will be at Wilson School in accordance with Erin's law. This presentation will teach children about body safety. A note with a detailed description of the presentation for each grade level will be sent home with your child. Please let me know if you do not want your child to attend by calling 477-4722.

DROP OFF/PICK UP LINE

Please make sure that you are pulling all the way forward in our pick up line to ensure the maximum number of students loading at a time. We tell students to only load as far back as 5-6 cars from the start of the line to ensure that they are supervised. We like to keep cars out of the left lane in the circle as we are loading students due to the fact that many students and staff are crossing that area. Thank you for your cooperation.
