Science Spotlight

8th Grade Students designed projects to think about the world around them and create solutions for some of today’s problems.

Pekin Junior Highs’ Mission Statement:

We will prepare students socially, emotionally, and academically to become independent learners and cooperative problem solvers.

Important Calendar Dates

Thursday, April 4th
• Coffee House Program @ 5:30

Please call 309-477-4730 to schedule your child’s screening

Congratulations Solo & Ensemble Award Winners
Jacob Moffatt, Beth Williams, Jayda Andrews, JT Heyder, Alexandria Weibring, Cooper Herberger, Korey Young, Mercedes Ghidina, Brooklyn Bishop, Ben Peacock, Alexis Schlitt, and Zander Ziemer
Broadmoor Junior High Talent Show
On March 7th our students showed off their talents to cap off our advisory unit “If you really knew me.” We had a great showing of singers, dancers, and musicians, which showed off how talented our students are! It was a great experience and one that made our staff and students proud to be Bruins!
Recognition Night
Tuesday, May 28, 2019
8:00pm
at Pekin Community High School

Broadmoor Junior High School will be recognizing the accomplishments of our 8th grade students on Tuesday, May 28, 2019 at 8:00 p.m. at our 43rd Recognition Night Ceremony. The ceremony will be held in the Pekin Community High School main gymnasium. No tickets will be distributed this year. Pekin Community High School has ample seating to accommodate each family.

We feel it is our opportunity as a learning community to emphasize the importance of hard work and effort, and to send the message that school is important to everyone’s success. We are very proud of our students and think that together we can make this a memorable night for parents, relatives, and students of BJHS.

In an attempt to create a solemn and respectful ceremony we are asking for your cooperation in the following areas:

Be respectful of each other during the ceremony. Disruptive and inappropriate comments, gestures, and whistles are not welcome and these individuals will be asked to leave the ceremony if necessary.

It is not necessary for students to dress formally for the evening. Suits, tuxedos, and formal evening gowns should not be worn. District dress codes are expected to be followed. We ask that your child’s clothing isn’t too tight fitting, or of such a nature as to be suggestive or revealing. For safety reasons, your student should refrain from wearing shoes with extremely high heels.

Banners, balloons, flowers, and/or signs will not be allowed in the gymnasium. Please keep in mind that our students are in junior high school and not graduating from high school or college.

During our conversations with all of our 8th graders, we have stressed that attending and participating in this ceremony is a privilege. We have clearly explained our expectations for student behavior during the remaining weeks of school. Students who are unable to follow our expectations will forfeit their privilege to participate. We strongly urge all parents/guardians to speak with their student and help reinforce our expectations.

Thank you for your help in making this a positive event for the 2019 eighth grade class.

Sincerely,

2019 Broadmoor Recognition Night Committee
HOMAGO
Hanging Out, Messing Around, Geeking Out!

- Watch Anime on our big screen!
- Practice your manga drawing skills!
- Take the stage to read your original poetry or other writing!
- Make your own artistic black out poetry!
- Bring your Pokemon, Yu-Gi-Oh!, Magic or other gaming cards!
- Play Settlers of Catan, Exploding Kittens, or other fun board/card games!
- Take selfies using our photo props!
- Eat delicious snacks!

Just come to hang out, mess around and geek out!
Tuesday, April 2nd 5:00-7:00 pm

Creative Writing Club for Teens

Love writing poetry, prose, fiction or non-fiction? Explore different writing techniques, receive feedback on your work (and give feedback to others), listen to people share their pieces and share some writing of your own as well - all this in an inviting, creative environment!

Monday, April 8th 6:30-7:30 pm

Will it Waffle?

Saturday, April 13th 3:00-4:00 pm

3D Printer Show and Tell

Want to see what all the fuss is about? Check out the library's 3D printer! See for yourself how a 3D printer creates three-dimensional plastic objects from digital designs. We will have a printing demonstration, show the materials you can use to print, and answer questions about the technology. Ages 10 and up are welcome to attend.

Saturday, April 13th 2:30-3:00 pm
Explore the intersecting worlds of science, technology, engineering, art and math in this fun club for teens who want to learn more about how the world works. Try out virtual reality technology, build a robot, use a 3D printer, create geometric art - maybe even blow stuff up! You'll have to show up to find out!

Tuesday, April 16th 6:00—7:00 pm

Yarn, it's not just for knitting and crocheting! Come experience the wide, wonderful world of yarn and leave feeling craftier than ever. Yarn and snacks provided, of course!

This month we'll be making an embroidery hoop pendant lights like the one pictured below. Hope to see you there!

Saturday, April 27th 11:00—12:00 pm

Nailed It!

When you're making stuff and taking risks, it won't matter if you passed or failed it. All that really counts is having fun, and smiling as you say: nailed it!

Tuesday, April 30th 6:00-7:00 pm
